

Appeal

Hanan association kindly requests your support in helping us provide much-needed of priority aids to the very poor people who live under the most difficult situation since the occupation. Despite these very great challenges, Hanan association is managing to bring hope and assist the survive of the prevented targets by the assistance of the great hearts like yours.

On the behalf of the very sad children, bored fathers, humble mothers & hopeless students, we seek your cooperation on this time because we can together minimize the suffering of our people her in Gaza refugees areas where a lot of People became under the poverty line, many people became with no work, many houses become liable to fall and Many students lose their schools & universities.

Hanan association working in the Palestinian refugee's camps specially the neglected areas of the Middle of Gaza, it has especial calling to serve the Palestinian poverty stricken for fundamental rights of economic, education, cultural and social progress specially for destitute classes .This respect fortress acclimate and working environment sensitive to the needs of all

On the current humanitarian emergency situation, Hanan focus to solve among intervention on the social & human aspects by targeting the most needed category on the society which are the children & their families, it's believe on building those 2 main important categories in order to do positive change on the Middle area society which affected a lot by the last hard circumstances.
